Community Service

We strive to be leaders in everything we do. This applies to our community involvement as well as our professional counsel.

With this mindset, Edelstein & Company encourages and supports involvement in professional, charitable and civic activities, and hold quarterly volunteering events through our partnership with Building Impact. Illustrating our commitment, for eight consecutive years, we were awarded a Gold Building Impact Award from Building Impact for our outstanding year-round volunteer participation in this charitable program.

Lastly, we give generously to a number of causes and worthwhile endeavors throughout Massachusetts. Our people – staff and accountants alike – are involved in a wide variety of charitable organizations as volunteers, board officers and board members.
