## MEET JOHN

As a manager in the firm's Audit and Assurance Group, John plans and executes assurance engagements for both privately held commercial entities and nonprofit organizations. John works closely with his clients to ensure their engagement needs are met and performed to the highest quality standard.

Through his time at Edelstein & Company LLP, John's clientele includes entities in the following industries: broker-dealers, investment funds, machinery manufacturing, retail, construction contractors, software development entities, community development entities, grant foundations, historical preservation foundations, museums, religious organizations, mental health organizations, and schools.

In addition, John performs various nonattest services such as:

- Outsourced CFO Services, including but not limited to: Design and Implementation of Control Processes, Implementation of Recent Accounting Pronouncements, and Reconciliations of Financial Statements Line Items to Help Clients with Audit Readiness Needs,
- Financial Statement Preparation Services,
- · Fund Accounting Allocations for Investment Fund Partnerships,
- Sales and Meals Tax Calculations for Small Businesses,
- Federal and State Excise Tax Calculations for Massachusetts-Based Breweries, and
- Federal and State Reporting Requirements for Nonprofit Entities.

At Edelstein, John is actively involved in the development process of firm personnel by running internal presentations on audit standards, department practices and processes, and new technology implemented for department use.
