Healthcare Financial, Tax and Accounting Services

ENSURING PRACTICE WELLNESS

Our healthcare advisors work with physician practices and other physician organizations in a variety of capacities, from providing monthly oversight of your financials to performing day-to-day CFO duties. With Edelstein by your side, you can focus on practicing medicine, rather than worrying about or managing the complexities of your accounting and finances.

We help clients:

- Improve profitability through revenue analysis and reporting
- Manage accounts payable and patient refund services
- Establish banking relationships
- Manage cash collections
- Provide financial reporting (P&L, cash flow, budgets etc.)
- Prepare and monitor budgets
- Prepare financial statements
- Prepare taxes and develop strategies to minimize tax liability
- Conduct tax planning
- Administer provider compensation
- Structure retirement planning
